

New Agents

In order to help you prepare in advance your application, you will find in this document the main questions asked in the online application.

- Tell us about yourself in any way and in the medium you find suitable: Who are you? What interests you? What's your backstory? What are you looking forward to?
 - Text (max. 1500 characters)
 - Visual material (max. 5MB)
 - Sound (max. 2 minutes & max. 5MB)
 - Video (max. 2 minutes, please provide links)
- Tell us about your most recent art project: what was it and where did you present it? (max. 800 characters)
- What book, performance, movie, music, or artwork have you come across in the past three years that moved you and why? (max. 800 characters)
- What aspect of your professional life do you find most stressful? (max. 800 characters)
- What role do you usually play in group situations? In your response, describe an incident, and tell us what happened, what skills you brought in, and how things turned out. (max. 800 characters)
- What do you hope to be celebrating in five years? (max. 800 characters)
- Give us the names and full contact details of two professional references and tell us briefly what you think they would say about you. (max. 800 characters)
- Please upload your portfolio and CV — a selection of your previous works, including texts, images and other audio-visual material.
